- Welcome Candy West (Parent)
- Reinforcement of Ground Rules

PBIS Update: Training /Sellers Gunn All Day on Oct. 13 & 14- Counselors, Vanderpool K-1, Barlekamp 2-3, Currie 4-5, Alexander - Specialist, Baker-EC

Title 1 District Meeting- Oct. 20th 6pm - One parent from each grade level should be suggested and Dr. Carson will invite those parents to go to the meeting

School Board Mtg. Oct. 24th ** We need placemats illustrating math concepts for a Central Office function. Please brainstorm ideas with your grade level on how you could take math concepts that you are working on now and create a picture to illustrate a math problem (the example Dr. Carson showed for subtraction: a monster eating cookies). The concept then needs to be explained by the teacher in a few sentences and placed on the back of the mat. (The example had the concept typed up and attached to the back with glue). Please let Dr. Carson know who is interested.

EVASS-How Student Data is Predicted---There's training available for 3, 4, & 5th grade teachers-1 per grade level-Oct. 17th Training 3pm-5pm

Early Release Days - Math, Science, & Technology Days for the Students

Nov. 2nd - Math Day

Feb. 8th -Technology

Mar. 28th - Science Day

Hospitality Committee - Caitlin talked about a formal committee and feedback was that \$ is tight so there will be no formal hospitality committee. We would like to have a Christmas party here after school. Ask people on grade level for feedback.

SRI Update - Grade Levels have decided the following:

2-lab

3-will try on tech cart

4-lab

5-lab

Week of Oct. 24th - Caitlin will test SRI.

Ireland Project Update – Elon University helped Hillcrest classrooms partner with rural classrooms in Ireland.

Classes will Skype with the classes soon. Projects will be scanned and can be reviewed on-line.

Teacher Advisory Nov. 1st-1:00-Hornady will go as the teacher representative for Hillcrest.

Nov. 17th 1:00-Schumacher will talk to Assistants to find out who is going to represent the assistants.

MIRP – Asked if people partnered with office staff could swap with other classes to ensure that second person in the room for MIRP.

3-5 Dance – Discussed need for more supervision especially as students arrive. Discussed possibility of having a 2nd/ 3rd and 4th/ 5th dance and to establish rules at the beginning of the dance.

Committees - More information will be coming at a later date about the committees staff signed up for at the beginning of the year.
